JESUS, LIGHT OF THE WORLD

The most beautiful night of the year
All the stars light up the sky
And the city is sparkling with silver and gold
From a million points of light
A reflection of something that's deeper within
Just a flicker of something more

CHORUS

Jesus light of the world
Shine through the darkness
Bright as the day
Jesus light of the world
Shine in our hearts
Show us the way tonight

Who is this Child in the manger
Kings bow and angels sing
The Lord of the universe
Has come here to save us a precious offering
All the heavens above and the earth below
Are filled with light of Your love

CHORUS

Jesus light of the world
Shine through the darkness
Bright as the day
Jesus light of the world
Shine in our hearts
Show us the way yeah
Jesus shine shine show us the way

Light of the world
Shine in our hearts
Show us the way tonight
Show us the way tonight

O COME ALL YE FAITHFUL

O come all ye faithful
Joyful and triumphant
O come ye O come ye to Bethlehem
Come and behold Him
Born the King of angels

CHORUS

O come O come let us adore Him
We bow our hearts before Him
For He is Christ the Lord

Sing choirs of angels
Sing in exultation
O sing all ye citizens of heaven above yeah
Whoa glory to God
Glory in the highest

BRIDGE

O come let us adore Him

ENDING

Is Christ the Lord
We bow before Him
For He is Christ the Lord

HE WHO IS MIGHTY

Oh the mercy our God has shown
To those who sit in death's shadow
The sun on high pierced the night
Born was the Cornerstone

PRE-CHORUS

Unto us a Son is given
Unto us a Child is born

CHORUS

He Who is mighty has done a great thing
Taken on flesh conquered death's sting
Shattered the darkness and lifted our shame
Holy is His name
(Holy is His name)

Oh the freedom our Savior won
The yoke of sin has been broken
Once a slave now by grace
No more condemnation

(Now) My soul magnifies the Lord
I rejoice in the God Who saves
I will trust His unfailing love
I will sing His praises all my days

BABY SON

We thought You'd come with a crown of gold
A string of pearls and a cashmere robe
We thought You'd clinch an iron fist
And rain like fire on the politics

CHORUS

But without a sword no armored guard
But common born in mother's arms
The government now rests upon
The shoulders of this Baby Son

Have you no room inside your heart
The inn is full the out is dark
But upon profane shines sacred sun
Not ashamed to be one of us
