WHAT MERCY DID FOR ME

I was hopeless, I knew I was lost
Death and darkness were my only songs
I needed someone to come rescue me

CHORUS

And mercy heard my plea
And Lord, You found me
You healed me
You called me from the grave
You gave me Your real love
I thank You Jesus
You washed my sins away
And now I am living like I'm forgiven
You came to set me free
That's what Your mercy did for me

You gave me beauty for my guilty stains
And now I'm living day to day by His grace
So excuse me if I can't contain my praise
'Cause I know that I've been saved

CHORUS

Lord, You found me
You healed me
You called me from the grave
You gave me Your real love
I thank You Jesus
You washed my sins away
And now I'm living like I'm forgiven
You came to set me free
That's what You mercy did for me, oh

BRIDGE

And every morning mercy will restore me
I will proclaim
And even if the world may fall before me
I will proclaim

CHORUS

'Cause Lord, You found me
You healed me
You called me from the grave
You gave me Your real love
I thank You Jesus
You washed my sins away
And right now I'm living like I'm forgiven
You came to set me free
And that's what Your mercy did for me
That's what Your mercy did for me
That's what Your mercy did for me

BATTLE BELONGS

When all I see is the battle
You see my victory
When all I see is a mountain
You see a mountain moved
And as I walk through the shadow
Your love surrounds me
There's nothing to fear now
For I am safe with You

CHORUS

So when I fight I'll fight on my knees
With my hands lifted high
O God the battle belongs to You
And every fear I lay at Your feet
I'll sing through the night
O God the battle belongs to You

And if You are for me
Who can be against me
For Jesus there's nothing
Impossible for You
When all I see are the ashes
You see the beauty
When all I see is a cross
God You see the empty tomb

CHORUS

BRIDGE

(An) Almighty Fortress You go before us
Nothing can stand against
The power of our God
You shine in the shadows
You win every battle
Nothing can stand against
The power of our God

CHORUS

ENDING

O God the battle belongs to You

PSALM 46

O come behold the works of God
The nations at His feet
He breaks the bow and bends the spear
And tells the wars to cease
O Mighty One of Israel You are on our side
We walk by faith
In God who burns the chariots with fire

CHORUS

Lord of hosts You're with us with us in the fire
With us as a Shelter
With us in the storm
You will lead us
Through the fiercest battle
Oh where else would we go
But with the Lord of hosts

O God of Jacob fierce and great
You lift Your voice to speak
The earth it bows
And all the mountains move into the sea
O Lord You know the hearts of men
And still You let them live
O God who makes the mountains melt
Come wrestle us and win
O God who makes the mountains melt
Come wrestle us and win

BACK TO CHORUS

BRIDGE

Though oceans roar You are the Lord of all
The One who calms the wind and waves
And makes my heart be still
Though the earth gives way
The mountains move into the sea
The nations rage
I know my God is in control

BACK TO CHORUS

ANOTHER IN THE FIRE

VERSE 1

There's a grace when the heart is under fire
Another way when the walls are closing in
And when I look at the space between
Where I used to be and this reckoning
I know I will never be alone

CHORUS 1

There was another in the fire
Standing next to me

There was another in the waters
Holding back the seas
And should I ever need reminding
Of how I've been set free
There is a cross that bears the burden
Where another died for me
There is another in the fire

VERSE 2

All my debt left for dead beneath the waters
I'm no longer a slave to my sin anymore
And should I fall in the space between
What remains of me and this reckoning
Either way I won't bow to the things of this world
And I know I will never be alone

CHORUS 2

There is another in the fire
Standing next to me
There is another in the waters
Holding back the seas
And should I ever need reminding
What power set me free
There is a grave that holds no body
And now that power lives in me

BRIDGE

And I can see the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears thin
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us
Nothing stands between (us)

VERSE 3

There is no other name
But the Name that is Jesus
He who was and still is
And will be through it all
So come what may in the space between
All the things unseen and this reckoning
I know I will never be alone
I know I will never be alone

CHORUS 3

There'll be another in the fire
Standing next to me
There'll be another in the waters
Holding back the seas
And should I ever need reminding
How good You've been to me
I'll count the joy come ev'ry battle
'Cause I know that's where You'll be
